## **PINOT BLANC**

This wine of bright yellow color is characterized by its clean structure with persistent floral aromas. Due to its markable acidity the wine has a great possibility of development. It stands out with its balance.

### **GRAPE VARIETY**

Pinot Blanc (Pinot Bianco)

### **SOIL**

Light and rapid warming marl

### **VINIFICATION**

The grapes are lightly crushed and the must is left in contact with the grape skins for about eight hours to enhance fruitiness. After a gentle pressing and natural sedimentation, the wine ferments under controlled temperatures.

### **FOOD PAIRING**

Starters, fish and shellfish dishes
